S. L. PHELPS, one third of the extent proposed by its authors; and that their increase of expenditure upon ironplated ships, to which it is admitted that naval reconstruction should be chiefly addressed, fulls far within the provision made by the Liberal Government for that essential purpose. Where the Government ought to have been frugal they have been lavien; where they ought to have been lavish they have been frugal. These questions may seem small; but the point at issue. of reckless and unthrifty, or economic and efficient administration, is momentons. The date. magnanimity which "disdains the love of nicely calculated less or more" may be very imposing. but it is out of place in a Government depart.

The Hongrong Fibr Insurance Company. which expires by effluxion of time in a few limited demand, sales to day amounting to 175 | months, having proved a highly successful hales Shanghai at \$19.70, and 50 hales. Ningpo [undertaking, it has been determined by a large at \$21.40. There have been some sales of New | number of its shareholders to form a permanent Bank Shares to day at Si premium, but we have | Company, under the same management and with increased Capital. It is proposed to register the Company under the Limited Liability Ordinance, and the amount of the Capital having been fixed at Two Millions of Dollars, it is considered that Insurers will be amply seenred thereby, while at the same time each shareholder will know the extent of his individual liability. The Capital proposed to be called up amounts to a large sum, and provision will be made for the creation of an ample Reserve Fund, which will,
